Why should you join PreFit ?

PreFit initiative will help you stop juggling too many things in an unrealistic manner and in place provide you with a well-organized timetable that covers every aspect of the syllabus.

We will provide a micro schedule broken into monthly, weekly and daily targets. Rather than self-validating your understanding of a specific syllabus area, **PreFit** ensures that you are tested based on your ability to comprehend what you have read through solving the question.

These tests not only test you against what you have read, but it also measures your peer performance by comparing your score amongst other UPSC aspirants at pan India level.

How Does PreFit cover current affairs?

PreFit divides current affairs of the past one year into monthly/ weekly targets covered across multiple tests. This enables you to get a more systematic and concerted hold over the current affairs by covering it through both daily and revision tests.

Does PreFit include CSAT ?

Don't let CSAT spoil your chances at prelims, **PreFit** includes a 50 question CSAT test every fortnight. The CSAT syllabus is integrated into the **PreFit** schedule by including specific CSAT test on fortnightly bases. This ensures that you are in sync with the CSAT component in proportion to the weightage allocated to it in the original prelims exam.

Why Should you Choose **Shankar IAS** ?

QUALITY OF QUESTIONS: What matters for a serious aspirant is the quality of questions he solves and not the quantity. As you know Shankar IAS through its pre-storming program has set a standard in the quality of questions, that is also reflected in the actual UPSC examination.

PAN INDIA COMPETITION: These tests not only test you against what you have read, but it also measures your peer performance by comparing your score amongst other UPSC aspirants at pan India level. Shankar IAS is the only institute that has a presence across various key centres of UPSC preparation.

SHANKARIAS'S PROPRIETARY ANALYTICS: PreFit is backed by Shankarias's proprietary analytics which provides you with a detailed analysis of each of your tests. We provide analytics on overall performance, relative performance, Performance by Subject, Areas to focus, Skipped or Incorrect questions Analysis, A difficulty level analysis based on exam performance, Questions attempted and average time spent on such questions etc.

How Does **PreFit** Work?

- 1** PREFIT Batch I : Starts from 22nd January 2024
- 2** All topics included in UPSC prelims syllabus will be part of this test
- 3** All the tests will be conducted both in online and offline mode.

Reflections CSE 2023
